

**Oklahoma Indian Nations Chapter -
Solid Waste Assoc. of North America**

To The Oklahoma SWANA Chapter Membership:

According to the Oklahoma SWANA Chapter Bylaws the Board of Directors and Officers serve the term of 2 years. At the end of the term there shall be an election held at the annual chapter conference for each position which is determined by the chapter membership.

Due to the current Pandemic that has hampered the Country in 2020-2021 from conducting normal business the Oklahoma Chapter will not be able to hold the annual Oklahoma SWANA Chapter Conference.

The Oklahoma SWANA Chapter Board has decided due to this that all current individuals holding a Board of Director and Officer position shall do so for the fiscal year of 2021/2022 without holding a formal election of the membership. Sections of the Bylaws 4.5, 4.8 and 4.3 provide the Board the right to make this current decision.

This letter signed by all Board of Directors and Officers along with the meeting minutes will serve as the notification to the membership of the process the Oklahoma SWANA Chapter Board determined was the best avenue for the year's election process.
